MASTER OF MANAGEMENT STUDY PROGRAM

**MUHAMMADIYAH
UNIVERSITY OF MAKASSAR**

Welcome to...

MASTER OF MANAGEMENT STUDY PROGRAM

“Rank A accreditation is
our quality and responsibility
to grow better in the future”
-Head of Study Program-

Dr. Edi Jusriadi, SE., M.M, CHCPM,CHCBP,CHCM
Head of Study Program

Master of Management study program was established in September 2006 based on the Decree of Operational Permit No. 809/D/T/2006. In its journey, the Master of Management study program had been accredited three times, where in the first accreditation it accredited C, then in 2015 it was B, and in 2020 it was A (365). Currently, the Master of Management study program is compiling documents for ABEST-21 International accreditation.

Master of Management

The location of the campus is very strategic, because it is in the center of Makassar City as a center for the development of the Eastern Indonesia Region (KTI), which is easily accessible by public transportation and sea, air, and land transportation. In addition, the location of the campus is also close to the business center, malls, tourism, and culinary centers, making it the right choice for foreign students to continue their studies at the Muhammadiyah University of Makassar.

VISION

Becoming a Barometer of Professional Managers Based on E-Business, Impact and Global Competitiveness

MISSION

1. Organizing Education, Teaching and Research that Produces Graduates who can be accepted by various Institutions on an International Scale.
2. Conducting research that can be utilized in the industrial and government sectors on a National and International scale.
3. Organizing community service activities that can be utilized in the industrial and government sectors on a national and international scale
4. Implementing applied learning education based on scientific theories
5. Implementing digital-based e-business learning education methods
6. Organizing managerial learning education according to culture based on the values of faith.
7. Organizing applicable learning in improving e-bussiness competencies and taking advantage of global opportunities
