The graduate program provides a bridging program that facilitates students in learning oral and written Indonesian for daily purposes which will increase their understanding in communicating to lecturers and staffs outside the classroom and to adapt with daily lives of Indonesian society. There will be a two-day program where the students will be guided by an English or Arabic lecturers using English or Arabic to explain the Indonesian language content. The students are also involved in a one-day Indonesian community to gather with Indonesian graduate students to discuss each other a topic determined by themselves every week.

The study program also provides students with a two-day preparation class every week for four months in one semester. The program is administered to help the students with the strategies in studying at graduate program of Public Administration Study at Muhammadiyah University of Makassar. The students will be given insight and practices of the public administration fields, such as, formulating and analyzing public policy

Requirements that should be fulfilled are:

- a. Having a bachelor degree certificate and transcript
- b. Having Academic Potential Test (TPA) with a minimum score of 400
- c. English speaking ability with category minimum A2
- d. Passing the entry test such as the interview test, to find out the interest and seriousness of prospective students in the Master of Public Administration Study Program.
- e. Having a competence to speak in Arabic or in Indonesian will be very helpful, especially for the sake of communication with administration staffs and for other activities outside the classes.

The program can be completed in four semesters. Semester one until three are done by studying, discussing, doing presentations through face to face or online classes and accomplishing some tasks related to each course. At the fourth semester, a student should write a thesis as a partial requirement for the completion of this program. Prior to the thesis writing, students are required to follow a thesis proposal seminar, and to do a national or international conference presentation so that at the beginning of semester four, students can directly write their research thesis and fulfill other requirements for their learning completion such as acquiring TOEFL score of 500, plagiarism-free thesis writing with a standard of 25% maximum Turnitin similarity index, and making a publication at Sinta or Scopus-indexed journals.
