		19	MMR3017	Scientific Work (Scientific Publications)	3

VISION

To establish a Master of Hospital Administration study program in 2025 that will serve as a model for the growth of hospital administration science in Indonesia from an international perspective based on Islamic principles

MISSION

1. To provide a dynamic curriculum-based education based on Islamic principles, supported by qualified and experienced educational staff and cutting-edge facilities and infrastructure.
2. To conduct research and development in hospital administration science in accordance with global trends.
3. To carry out services to the community and health-care institutions via academic endeavors.
4. To produce graduates who possess a noble character and can use their knowledge for the greater good of the community.

Cafe 1912

Library Corner Cafe UMY

UMY's Clinic

MASTER OF HOSPITAL ADMINISTRATION'S ORIGINS

1. The need for professional hospital managers who can operate a "non-profit" organization in accordance with Islamic principles.
2. The number of hospitals continues to grow at a rapid pace each year.
3. According to the Minister of Health of the Republic of Indonesia's Permenkes no.971/Menkes/Per/XI/2009 about Competency Standards for Structural Health Authorities, hospital directors must have a background in hospital managerial skills.
4. To provide master graduate who have competence as Hospital Manager and Entrepreneurs.

JOURNAL

JMMR (Jurnal Medicoeticolegal dan Manajemen Rumah Sakit) is a peer-reviewed journal published by Universitas Muhammadiyah Yogyakarta in collaboration with The Muhammadiyah Lecturer of Hospital Management Graduate Program Association (ADMMIRASI). JMMR is accredited grade 2 (sinta 2) by the Ministry of Research, Technology and Higher Education of the Republic of Indonesia, Decree (SK) 36/E/KPT/2019.
