## Vision

Becoming a leading master program in law in the fields of criminal justice system law, economics of business sharia law, and natural resources and development law at ASEAN in 2025 based on Islamic values

## Mission

Establishing a leading master program in law intellectually and morally, practicing the knowledge to uphold truth, justice and integrity in accordance with Islamic teachings by performing education research, and community service in the field of Islamic and business law, natural resource law, and criminal law.

## Excellences

1. Magister of Law has domestic cooperation with various government agencies and private and foreign cooperation with more than 10 universities abroad such as IIUM, UTCC, Charles Darwin University, SIAS University and Khon Khen University.
2. Student Exchange Program with more than 10 universities abroad.
3. It has Jurnal Media Hukum which has been accredited four times in a row.
4. The lectures use a case study method so that the students can apply theory as well as test theory in case study practice.

## Testimony

**Farouk Aisha Dawaki**  
(Master of Law UMY student from Nigeria)

Assalamualaikum warahmatullahi wabarakatuh  
It has been a great experience studying at Muhammadiyah University Yogyakarta (UMY). My experience at UMY is full of learning and grooming. Being a global university, it has given me an opportunity to meet with different kind of people from around the world and

learnt many things from them. No doubt studying Law is very challenging and requires a lot of hard work but I would say I'm enjoying every bit of it. One of the most special thing for me about my Masters of Law program here at UMY is that we are given the opportunity to work at our own pace. More like an independent learning. Although we have deadlines and everyone is expected to meet the set deadline, the time frame, I think is sufficient to enable one conduct their reading and research. Thank you for giving me an opportunity to study at UMY.  
Terima kasih.
