RECTOR'S WELCOME

IKIP Muhammadiyah Maumere is a multicultural Muhammadiyah university located in Sikka Regency, Flores Island, East Nusa Tenggara. IKIP Muhammadiyah Maumere has reached the age of 10 years since its establishment on January 22, 2013 and has eight (eight) education study programs accredited B by BAN-PT and Excellent by LAM-DIK.

It also has Human Resources (HR) teaching staff 100% qualified with master's education. Currently, IKIP Muhammadiyah Maumere is developing into a multicultural and superior campus based on local wisdom in Sikka Regency and transforming into Muhammadiyah Maumere University.

The transformation into Universitas Muhammadiyah Maumere was carried out with the proposed addition of three study programs, namely, Health Administration, Informatics, and Digital Business. This change of form is expected to improve the positive image of IKIP Muhammadiyah Maumere in the community. In addition, the addition of new study programs can be a new attraction for IKIP Muhammadiyah Maumere.

Sikka Regency is one of the regions in East Nusa Tenggara that has diversity in terms of religion, ethnicity, and race. IKIP Muhammadiyah Maumere is present in the midst of such diversity and becomes a Muhammadiyah university that upholds multicultural values. This is evidenced by the majority of the IKIP Muhammadiyah Maumere academic community being almost 80% Catholic and all of them getting along with each other and upholding tolerance in higher education. For IKIP Muhammadiyah Maumere, love for the nation, especially Sikka

Regency, is realized by providing the best for the nation in terms of education. Therefore, IKIP Muhammadiyah Maumere applies the concept of LOCAL FAMILY-BASED MULTICULTURE.

IKIP Muhammadiyah Maumere offers a Summer Course program for international students who wish to conduct student exchange at IKIP Muhammadiyah Maumere by taking advantage of the natural and cultural beauty of Flores Island. The natural panorama of Flores Island is extraordinary. The coastline of Flores Island offers white sand and black sand, along with the sea, that can be used for snorkeling and diving. On Flores Island, there are tourist attractions that are well known by the public, namely Koka Beach, Labuanbajo Pink Beach, Tanjung Kajuwulu Beach, Liaga Hill, Anano Island, Labuanbajo Komodo Island, and Koja Doi Tourism Village.

IKIP Muhammadiyah Maumere can also lead to cultural tourism in Sikka Regency. There is Umata Tourism Village, which presents the Doka Tawa Tana Cultural Arts Studio engaged in the art of handicrafts, binding motifs on yarn, then processing it into sarong cloth for daily use, which can be sold to meet family economic needs and also the social needs of the community. Through this studio, the art of traditional music and dance also grows and develops among members and can even be performed for the public. Requests from various parties for entertainment performances and cultural events at local, regional, and national levels. Sanggar Doka Tawa Tana is also a place to learn local wisdom values for the local community and young generation. The number of tourist visits continues to increase from time to time. Foreign and national tourists have visited Sanggar Doka Tawa Tana and have always expressed their appreciation and pride that they still find cultural preservation.

Welcome to Blue Campus, IKIP Muhammadiyah Maumere, Muhammadiyah Multicultural Campus

Rector,
Erwin Prasetyo, S.T, M.Pd

Muhammadiyah Higher Education (PTM) in Maumere began with the establishment of the University of Muhammadiyah Kupang (UMK) Maumere campus on the MoU of the Regent of SIKKA Drs. Paulus Moa with the rector of UMK H. Markhotib, SH, in 2002, and as the executor of PDM Sikka formed the management of UMK Maumere Campus, chaired by Drs. Ahmad Fadhlani, MH, and secretary Drs. M. Daeng Bakir. In its journey until the last batch of 2009, it has graduated approximately 1000 undergraduate graduates with Study programs in Indonesian Language Education, Biology Education, Management Economics, Accounting Economics, Sociology, Islamic education, and Law.

As a continuation of the UMK Maumere Campus, the idea of establishing an independent PTM was born, with a view to independence, university management, and the desire of the community for the presence of a PTM in Sikka Regency, so in 2009 a Committee for the Establishment of IKIP Muhammadiyah Maumere was formed, chaired by H. Jafar Umar, M.Sc., Ph.D., and Secretary H. Sudirman Badu, M.Pd., both of whom are permanent lecturers at Nusa Cendana University (UNDANA) and Muhammadiyah Kupang University (UMK). After the death of H. Jafar Umar, M.Sc., Ph.D. (rahimakumullah) in 2010, the position of chairman of the establishment committee was replaced by Erwin Prasetyo, ST.

Alhamdulillah, after a long and tiring journey by all parties, including the person in charge, Abdul Rasyid Wahab, BA, Chairman of the Muhammadiyah Regional Leadership of Sikka Regency, on January 22, 2013, the Operational Permit of the Institute of Teacher Training and Education (IKIP) Muhammadiyah Maumere, or abbreviated as IKIPMu Maumere, was issued with eight study programs, namely Mathematics Education, Physics Education, Chemistry Education, Biology Education, Indonesian Language Education, English Education, Economics Education, and Citizenship Education, through the Decree of the

Minister of National Education No. 21/E/O/2013 dated January 21/E/O/2013 dated January 22, 2013. Furthermore, on June 15, 2013, IKIPMu Maumere was inaugurated by the Reform figure Prof. Dr. H. Amien Rais, M.A., and attended by the Director General Of

Higher Education, Prof. Djoko Santoso, and the Secretary of KOPERTIS Region VIII, so that January 22 was designated as the anniversary or Milad of IKIP Muhammadiyah Maumere.

IKIP Muhammadiyah Maumere currently has two faculties, namely the Faculty of Social Science and Humanities Education (FPISHUM) and the Faculty of Mathematics and Natural Sciences Education (FPMIPA), with eight study programs. All eight study programs have been accredited. Four study programs, namely Indonesian Language and Literature Education, Citizenship Education, Biology Education, and Mathematics Education, were accredited in 2014. while the other four Study programs were only accredited in 2017 and 2018. In 2019, IKIP Muhammadiyah Maumere was accredited, and in 2020, thank God, 4 study programs (Indonesian Language and Literature Education, Citizenship Education, Biology Education, and Mathematics Education) that carried out re-accreditation finally obtained very encouraging results, namely from C accreditation to B accreditation. Another accreditation achievement was achieved in 2023, when four study programs (English Education, Economics Education, Chemistry Education, and Physics Education) received the title of Excellent.

In the journey of IKIPMu Maumere until now, it has experienced a change of leadership, namely H. Rodja Abdul Natsir, SH, M.Pd, who was entrusted by the Muhammadiyah Central Leadership as Rector for two periods, namely from 2013–2017 and from 2017–2021. And the next Rector was entrusted by the Muhammadiyah Central Leadership to Erwin Prasetyo, S.T., M.Pd., from 2021 until now. Currently, the IKIPMu Maumere Campus occupies waqf land from H. Abdul Syukur covering an area of 8000 m² out of a total waqf land of 9,894 m² and land owned by IKIPMu Maumere covering an area of 372 m². On this land, IKIPMu Maumere has lecture buildings, laboratories, offices, and other infrastructure. The Amien Rais building is 1,326 m², the Ahmad Dahlan building is 1,176 m², and the Dzasman Alkindi building is in the process of construction and covers an area of 4,000 m².

STUDENT ACHIEVEMENTS
