

MASTER OF PSYCHOLOGY STUDY PROGRAM

MASTER OF PSYCHOLOGY STUDY PROGRAM

The Master Program (S2) in Psychology obtained an establishment permit No. 4154 / D / T / 2005 dated December 29, 2005. Following the Decree of the Director General of Higher Education number: 119 / D / 0/2010, an operational permit has been accredited "A" by BAN-PT following DECREE Number 760 / SK / BAN-PT / AKRED / M / III / 2018.

Students come from S1 students who graduate from psychology, counseling guidance, and other study programs, both educational and non-educational.

The graduate degree of Master of Psychology is a Master of Psychology (M.Psi.).

• CONCENTRATION OF SPECIALIZATION

There are 3 (three) Fields of Interest, namely

1. Specialization in Educational and School Psychology,
2. Specialization in Human Resources Psychology,
3. Specialization in Health and Community Psychology.

This multi-entry program can be entered by S1 (Bachelor) graduates from various majors in disciplines other than psychology.

VISION AND MISSION

Vision

To become a Master's level Psychology Study Program that is superior and innovative in scientific and research development, community-based, serving the interests of the nation and humankind imbued with Islamic values.

Mission

- We are organizing a learning process to produce global graduates with a distinctive community approach. We are conducting research and community service
- that adheres to Islamic values and is oriented toward community empowerment. Develop transparent and accountable governance of
- the Study Program following Islamic values. Applying an academic and non-academic atmosphere based on Al-Islam Kemuhammadiyah while still appreciating diversity.
- Develop a network of cooperation in education, research, and community service in the field of
- Psychology locally, nationally, and internationally.
