About Universitas Muhammadiyah Bangka Belitung

Welcome to Universitas Muhammadiyah Bangka Belitung, Indonesia. It is privilege to welcome you to our university, a place where intellectuality and morality work and blend in harmony under a strong academic atmosphere. Our vision is to educate and produce excellent intellectuals with strong leadership and morality. Universitas Muhammadiyah Bangka Belitung (UNMUH BABEL) is aware of the importance of international mobilization to address diversity, unite worldwide, and increase international networking. We believe that enhancing international cooperation and mobilization enables us to improve higher education's academic quality and serve larger social and cultural goals through international partnership and mobilization programs. We aim to build Universitas Muhammadiyah Bangka Belitung to be one of Indonesia's leading institutions/departments to promote awareness, facilitate the pursuit of international education, and foster global collaborations for the international community in the world among universities, industries, and global institutions.
