Course Name	:	Legal Ethics Professional
Course Code	:	KPT0201244
Credit	:	2
Course Description	:	Professional Ethics in Law is formulated as the science of ethics, about what is good and what is bad, what a person should do in his position as law enforcement. In Indonesia, the practice of law enforcement is carried out by “catur praja”, namely the police, prosecutors, advocates, and judges. However, in the practice of law enforcement in society in a broad sense, the notary profession is also part of law enforcement. The subject matter of the legal profession ethics course contains the meaning and definition of ethics, professional ethics possessed by the legal profession: police, prosecutors, advocates, judges, and notaries. By following this course, students are able to describe ethics legal profession.
