# Rector's Speech

**Dr. H. Ahmad Amarullah, M.Pd**

Universitas Muhammadiyah Tangerang (UMT) is a leading University located in Tangerang, Indonesia. Our university has become one of the reputable universities in Tangerang. The High quality of education and human resources of UMT support its vision to be world-class university.

At present, UMT has been in a number of agreements with both national and international institutions, which enable the university to expand its development for the sake of a better quality education.

Situated in a strategic location of Tangerang which is near the TangCity Mall, our university provides such a comfortable, peaceful, and secure environment that the students are able to focus on their study. Tangerang has a number of tourism objects that are recommended to visit. Having finished their busy week, the students can spend their time enjoying the beautiful sceneries around the city at the weekend. We gladly and sincerely invite you to be the part of UMT in achieving our vision to be world-class university.

Welcome to Universitas Muhammadiyah Tangerang !
